REMARKS

25X1X SOURCE

25X1X 1. (The school for signal mechanics in Zabreh) (P 50/N 58) had Utvar No 9999 and POB No 100/R. (Up to it was directly assigned to the M.N.O. (Ministry of National Defense).) The officers of the school included Staff Captain Sperlik, (fmu), school commandant; Lieutenant Zdinka, (fmu), political officer; Senior Lieutenant Barta, (fmu), commanding officer of the radio mechanics company; and Senior Lieutenant Matey, (fmu), commanding officer of the telephone mechanics company. *

2. (The school consisted of a headquarters company, a radio mechanics company and a telephone mechanics company. It had a total strength of 15 officers, 25 NCOs and about 400 EM, including 200 trainees.)

3. (A course for radio mechanics was given at the school from November 1949 to July 1950. Radio equipment used for instruction in signal equipment repair work included Soviet models R-13, A-Z-A and 12-R.B.M., radio sets, German model B portable receivers, German models b and d portable radio sets, and Every Saturday there was a field exercise for the entire school in a circular area of about 20 km, for the training of radio and telephone operators.)

25X1A Comment. The information confirms previous report. 25X1A
